

Hi!

I'm Alyssa Shane G. Losare, 19 years old. Currently studying at University of Southern Mindanao (USM) and I came from Bagumbayan, Sultan Kudarat. About my likes, hobbies, and such. I prefer staying inside our house, I can only go outside whenever I want to if I choose to but most of the time I stay inside and just sleep or probably reading any types of books. It's weird to say I love traveling when in fact I frequently went outside but travel with my fam and friends is what I mean I love. I prefer watching anime than movies. I often plays online mobile games but what I really want to do most of the time when I'm free is to sleep for hours. I love music.
